

Please join us for our next course

Chemical Feed Pump Repair

Wednesday July 28, 2010

9 am to 11 am

Ridder Farm

89 Oak Street

East Bridgewater, MA

*PCWWA is proud to offer our membership the opportunity to attend quality training at little or no cost. Our next course topic will be a hands on **Chemical Feed Pump Repair** training. We are pleased to have personnel from Northeast Pump and Instrument to share their extensive knowledge on this topic. **We look forward to seeing you there!***

Chemical Feed Pump Repair

0.2 CEUs

Presenter

Northeast Pump and Instrument

This course will provide an overview of chemical feed pumps including the pump selection process, advantages and disadvantages, basic pump operation, and the set-up and installation of chemical feed pumps. Participants will also have hands on training repairing and maintaining mechanical and hydraulic diaphragm pumps.

To Register

Online Registration: (no mail in) www.pcwwa.org/education

Cost

The cost of this training is \$70.00. Lunch is included.

Cancellation Policy

If you cannot attend you must contact Leanne Monaghan at 508-946-2225 or via email at education@pcwwa.org by 9:00 Friday July 23, 2010. All no shows who do not contact PCWWA prior to this deadline will be responsible for payment in full.

Attendance Requirement

Participants must attend 90% of the course to be eligible for CEUs.

To find out more information about the course and to register online, visit our website at www.pcwwa.org/education.
