

Please join us for our next course

Utility Excavation Safety

Wednesday, July 27, 2011

9 am to 11 am

Francis Farm

27 Francis Farm Road

Rehoboth, MA

PCWWA is proud to offer our membership the opportunity to attend quality training at little or no cost. Our next course topic will be **Utility Excavation Safety**. Representatives from Managing Underground Safety Training (MUST) will share their expertise on this topic.

We look forward to seeing you there!

Utility Excavation Safety

2 TCHs

Presenters

Lisa Powers, Dig Safe System, Inc.
Terry Sylvester, On-Target Utility Service
Lenny Buck, Northeast Gas Association
Robert Hayden, Massachusetts Department of Public Utilities

This course, conducted by representatives from Managing Underground Safety Training (MUST), will provide an overview of utility excavation safety including: rules and regulations to stay in compliance with the "Dig Safe" Law, explanation of typical utility marks, immediate response protocol if a gas line is struck, and general excavation safety best practices.

To Register

Online Registration: (no mail in) www.pcwwa.org/education

Cost

The cost of this training is \$70.00. Lunch is included.

Cancellation Policy

If you cannot attend you must contact Erica Lotz at 781-221-1163 or via email at education@pcwwa.org by 9:00 am on Friday, July 22, 2011. All no shows who do not contact PCWWA prior to this deadline will be responsible for payment in full.

Attendance Requirement

Participants must attend 90% of the course to be eligible for TCHs.

To find out more information about the course and to register online, visit our website at www.pcwwa.org/education.

For any questions regarding this presentation or for assistance registering, please do not hesitate to contact Erica Lotz at 781-221-1163 or email ELotz@fstinc.com
