

Please join us for our next course

Pump Curves

Wednesday, Oct. 12, 2011
10 am to Noon
417 Bay Road
South Easton, MA

PCWWA is proud to offer our membership the opportunity to attend quality training at little or no cost. Our next course topic will be **Pump Curves**. John Krawczyk, P.E., Vice President from Fay, Spofford & Thorndike, will share his expertise on this topic.

We look forward to seeing you there!

Pump Curves

2 TCH

Presenter

John Krawczyk, P.E., Vice President from Fay, Spofford & Thorndike

This course will provide the operator with the basic understanding of pump performance curves. Course participants will be led through an example of pump selection, beginning with determining pumping requirements to selecting the most appropriate pump.

To Register

Online Registration: (no mail in) www.pcwwa.org/education

Cost

This course is free of charge to members in good standing (current dues paid). Fee for non-members is \$50.00; non-members who attend and wish to join will have their \$25.00 PCWWA application fee waived provided payment for the course is made on the day of the class and the participant fills out a PCWWA Membership Application the same day.

Cancellation Policy

If you cannot attend you must contact PCWWA 24 hours prior to the start of this program by sending an email to education@pcwwa.org or call Erica Lotz, 781-221-1163. All no shows who do not contact PCWWA before the start of the program will be charged \$50.

Attendance Requirement

Attendance Requirement: Participants must attend 90% of the course to be eligible for TCHs.

To find out more information about the course and to register online, visit our website at www.pcwwa.org/education.

For any questions regarding this presentation or for assistance registering, please do not hesitate to contact Erica Lotz at 781-221-1163 or email ELotz@fstinc.com
