Greetings to all;

Thank you everyone for allowing me to be the President of this organization for a second year. The first year went incredibly fast and I am prepared to continue working for an association I truly enjoy.

I would like to thank all the committee chairs for their hard work. We now have a new Education Chair, Erica M. Lotz, P.E. of Fay Spofford & Thorndike. Erica took over later in the year so Leanne Monaghan could move on to a recently formed committee we call the Special Projects Committee. This committee is looking at ways to provide needed services to other counties that are lacking clean water and adequate sanitary conditions. You will see a lot more information this year with fundraisers and fun events for all.

If you have any suggestions as to meeting locations or meeting topics, please do not hesitate to send me an email or call my office at 508-999-0742

In closing, I would like to wish all of our members and their loved ones a safe and happy holiday season. Merry Christmas and Happy New Year

Sincerely,

Steven M. Sullivan
President

Last Chance! ***2010 Call for Nominations***

Is there someone you would like to see recognized for their outstanding service to our organization and/or the water works industry? Please take a moment to nominate a fellow PCWWA member for our annual awards before the *December 8th* deadline.

<http://www.pcwwa.org/awards/>

Happy Holidays from PCWWA!

Please join us for our next course

Green Pharmacy: Strategies for Reducing our Pharmaceutical Footprint

Wed., December 8, 2010
10 am to Noon
Easton Water Department
417 Bay Road
South Easton, MA

PCWWA is proud to offer our membership the opportunity to attend quality training at little or no cost. Our next course topic will be

Green Pharmacy: Strategies for Reducing our Pharmaceutical

Footprint. We are pleased to have Nicholas Anastas, Ph.D, MS, Environmental Analyst from MADEP to share his extensive knowledge on this topic.

We look forward to seeing you there!

Green Pharmacy: Strategies for Reducing our Pharmaceutical Footprint

0.2 CEU

Presenter

Nicholas Anastas, Ph.D, MS, Environmental Analyst
Massachusetts DEP - Drinking Water Program

The presence of Pharmaceuticals and Personal Care Products (PPCPs) in the environment has recently received increasing attention in both the popular and scientific press. Current wastewater and drinking water treatment systems are not designed to efficiently remove these inherently water-soluble environmental pollutants. Treatment practices must be altered to reflect this new challenge. This course will present the driver and barriers to reduce the environmental load of PPCPs to the environment through the application of Green Pharmacy.

To Register

Online Registration: (no mail in) www.pcwwa.org/education

Cost

This course is free of charge to members in good standing (current dues paid). Fee for non-members is \$50.00; non-members who attend and wish to join will have their \$25.00 PCWWA application fee waived provided payment for the course is made on the day of the class and the participant fills out a PCWWA Membership Application the same day.

Cancellation Policy

If you cannot attend you must contact PCWWA 24 hours prior to the start of this program by sending an email to education@pcwwa.org or call Erica Lotz, 781-221-1163. All no shows who do not contact PCWWA before the start of the program will be charged \$50.

Attendance Requirement

Participants must attend 90% of the course to be eligible for CEUs.

To find out more information about the course and to register online, visit our website at www.pcwwa.org/education.

For any questions regarding this presentation or for assistance registering, please do not hesitate to contact Erica Lotz at 781-221-1163 or email ELotz@fstinc.com
