Dear Members:

Well the original deadline for submitting our Annual Statistical Report has come and gone - it was June 10th to be exact. However, you now have some more time if yours is not yet completed. The new deadline is July 9th. Personally I found it a little difficult in completing for the first time, but DEP was there each time I had a problem with the report and worked through it with my department. I think as time goes on it will get better and easier to complete.

Be sure to put on your calendars July 28, 2010 for the newly re-named event to be known as the Plymouth County Water Works Annual Training and Trade Show. Training with contact hours will be available with lunch included along with Vendor Booths during the day. Be sure to stop by and see the vendors, they are great supporters of PCWWA. There will also be a Golf Tournament in the morning be sure to sign-up early because I know the spots will fill up fast.

Lastly, I will like to wish everyone a safe and healthy summer.

Steven M. Sullivan

President

New Members

Ronald Sharpin
Water Superintendent - Town of Holliston

Please join us for our next course

Safe Chemical Handling and Initial Spill Response

Thursday, June 24, 2010
10 am to Noon
Easton Water Department
417 Bay Road
South Easton, MA

PCWWA is proud to offer our membership the opportunity to attend quality training at little or no cost. Our next course topic will be **Safe Chemical Handling and Initial Spill Response**. We are pleased to have Adam Lomartire, CSP, Senior Compliance Specialist from Tighe & Bond Consulting Engineers to share his extensive knowledge on this topic. **We look forward to seeing you there!**

Safe Chemical Handling and Initial Spill Response

2 TCH

Presenter

Adam Lomartire, CSP, Senior Compliance Specialist from
Tighe & Bond Consulting Engineers

This course will provide an overview of potential hazards posed by water treatment chemicals as well as proper techniques, controls and protective equipment to minimize exposure. This course will also discuss the initial actions that personnel should take in the event of a chemical spill to minimize the threat and separate personnel from a potentially dangerous situation.

To Register

Online Registration: (no mail in) www.pcwwa.org/education

Cost

This course is free of charge to members in good standing (current dues paid). Fee for non-members is \$50.00; non-members who attend and wish to join will have their \$25.00 PCWWA application fee waived provided payment for the course is made on the day of the class and the participant fills out a PCWWA Membership Application the same day.

Cancellation Policy

If you cannot attend you must contact PCWWA 24 hours prior to the start of this program by sending an email to education@pcwwa.org or call Leanne Monaghan, 508-946-2225. All no shows who do not contact PCWWA before the start of the program will be charged \$50.

Attendance Requirement

Participants must attend 90% of the course to be eligible for TCH's.

To find out more information about the course and to register online, visit our website at www.pcwwa.org/education.

For any questions regarding this presentation or for assistance registering, please do not hesitate to contact Leanne Monaghan at 508-946-2225 or email leanne@h2otest.net
