Dear Members:

Once again the deadline for submitting our Annual Statistical Report has been extended to May 31, 2011 due to a bug in the cross connection section of the eASR. This extension is for only Community and Non-Transient Non-Community systems. Please see the cross connection form for more information.

Be sure to put on your calendars July 27, 2011 for the Plymouth County Water Works Annual Training and Trade Show. We are moving to a new location for this year's event.

The new location will be at Francis Farms, this is a beautiful facility and I am sure everyone will enjoy the day there. Training contact hours will be available with lunch included along with Vendor Booths during the day. Be sure to stop by and see the vendors, they are great supporters of PCWWA.

There will also be a Golf Tournament in the morning be sure to sign-up early because the event will fill up fast.

Lastly, I will like to wish everyone a safe and healthy summer.

Steven M. Sullivan

President

PCWWA Monthly Meeting & Tour

Wednesday May 25, 2011

City of Brockton Advanced Water Reclamation Facility
&
The Shaw's Center
